OMB Control Number: 2900-0358.

Type of Review: Extension of a currently approved collection.

Abstract: Veterans and other eligible persons may change their program of education under conditions prescribed by Title 38 U.S.C. 3691. A claimant can normally make one change of program without VA approval. VA approval is required if the claimant makes any additional change of program. Before VA can approve benefits for a second or subsequent change of program, VA must first determine that the new program is suitable to the claimant's aptitudes, interests, and abilities, or that the cause of any unsatisfactory progress or conduct has been resolved before entering into a different program. VA Form 22-8873 is used to gather the necessary information only if the suitability of the proposed training program cannot be established from information already available in the claimant's VA education records or the results of academic or vocational counseling are not available to VA.
